

June 20th Sermon Notes – Father’s Day

Text: Luke 2:41-48 (NIV)

Main Idea: A godly man is not one who lives a perfect life but one who processes an imperfect life in a godly way.

An “imperfect life” is not just our personal imperfections but also imperfect circumstances, when life doesn’t “cooperate” perfectly with us.

This episode of losing Jesus spelled one thing for Joseph: **family emergency**, which is an unexpected, unpleasant, and unwanted surprise.

It’s not hard for me to imagine that some time during one of those sleepless nights, Joseph felt like he had let the family down. Men worry differently than women. Men carry a different burden for the family. Where women are concerned for the well-being of the whole family; Men are concerned about the protection and security of the whole family.
